My First Biography: Harriet Tubman

Synopsis

The MY FIRST BIOGRAPHY series brings the biggest life stories to the smallest readers. Harriet Tubman escaped from slavery. She vowed she would fight to free all slaves. Her perseverance sparked Americans to stand up for equality. With simple, lyrical text and bold, kid-friendly illustrations, this book introduces Harriet Tubman to the youngest readers and inspires them to fight for freedom.

ASIN: 0545232570

Product Dimensions: 8 x 8 x 0.1 inches

Shipping Weight: 2.1 ounces

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (20 customer reviews)

Best Sellers Rank: #296,684 in Books (See Top 100 in Books) #177 in [Books > Children's Books > Education & Reference > History > United States > 1800s](#) #469 in [Books > Children's Books > Biographies > Multicultural](#) #522 in [Books > Children's Books > Geography & Cultures > Multicultural Stories > African-American](#)

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

Bought for my kindergarten classroom, this story is simple for me to read aloud and works as a great introduction to Harriet Tubman. It tends to be difficult to find books that introduce important people for Black History Month, and this is now one of my favorites! Allows for discussion on complex topics for little minds. Would be great to include in a class library for second grade (independent reading levels).

It's a very, very short book; however, I'm grateful to have it as a tool to teach my six year old about

our history. This is a very difficult topic to discuss. I would like a book that explains the underground railroad. The way this book reads, one would think there was a train and a conductor. Ha!

Nice simple kids version of the Harriet Tubman story. My daughter is 3.5 and enjoys this story when I read it to her. It doesn't have a lot of detail though, so for older kids I'd recommend something with a bit more content.

The modern day version of Moses. My 6 yr. old loved hearing about how many former slaves Harriett Tubman helped. to free. Even though she. Faced dangerous conditions, she still went back to help her family and others.

There is slightly more content than my daughter can comprehend right now, but I like the book very much. It spans Harriet's entire life not just her work leading slaves to freedom. I just wish it came in board book format.

The book is really cute and nicely illustrated for babies and kids. I purchased the book for my 8 month son for Black History Month. The read is simple and easy for toddlers and kids to understand and learn. A MUST BUY!The reading is very simple and easy.

Good book to teach 3rd graders about Harriet Tubman. Easy for them to read and understand. Good book to add to your collection.

I loved this book. My students will never forget this remarkable woman. It is easy to read and brings Harriet Tubman to life.
