# Love Grows Printed Gray Poly-Canvas Bible / Book Cover - Ephesians 3:17 (Large)

## Customer Reviews

I love my case. However, I got the large as I have a larger Bible, but I totally could have gotten a medium instead. Still love the product and loved the matching journal that I bought to go with it. Have gotten several compliments at church.

The size posted was not what the product was actually. The product description is wrong. Dimensions off by nearly an inch. Unfortunately we bought this as a gift and they just now opened so we missed the return policy window.

I love this little book cover because it fits my study Bible perfectly! I use it for my Life Application Study Bible that I also purchased on , which is a pretty big book. It has a pocket on the back that can fit a journal, and even though it holds a super heavy book, I havent seen any signs of wear and tear.

Beautiful and good quality. I ordered the large which stated it was for a 9 1/2 in bible. It is way to big for it. Truly needed a medium for an average sized bible.

Very nice. I don't use it for a bible but for notepad and pen and papers/letters. The zipper makes it secure so you don't lose anything.

Size posted is way way way off. I believe it was off more than an inch in top to bottom and inch side to side and 3/4 inch width

Was great quality for the price. My mom loved it.

My daughter loves to carry her Bible around in this beautiful case. It is well made and has a nice strap that you can carry it by. I highly recommend.
