I was asked to create and lead a Bible study on the Apocrypha and this book has been extremely helpful. Not only does it briefly describe a book and offer discussion questions, but it also has a separate leader section with more detailed notes and suggestions.

I like the study guide, because it helps tie the apocryphal writings with the canonical writings in the Bible. Although the notes in the Apocrypha Lutheran Edition are wonderful, the questions in the study guide help me understand the Apocrypha to an even greater extent. It can be used by an individual or a class study guide.

This is a marvelous study guide for reviewing the CPH edition of the Apocrypha. Great booklet for church Bible class discussions.
