The Aquarian Gospel Of Jesus The Christ: The Philosophic And Practical Basis Of The Religion Of The Aquarian Age Of The World And Of The Church Universal

Synopsis

**** DeVorss Publications edition (9780875161686) is in it's 21st PRINTING - Same Book/New Lower Price****The Story of Jesus, the Man from Galilee, and How He Attained the Christ Consciousness Open to ALL. THE AQUARIAN GOSPEL OF JESUS THE CHRIST is a far-reaching work that brings to light the intimate details of Christ's life upon which the New Testament gospels are silent, written from the original Akashic Records by a student who devoted forty years to prepare for the task. This unique book is practically a complete record of the words and works of the Man of Galilee, including his eighteen years of study and travel in the Orient. It covers his life from birth in Bethlehem to his ascension from the Mount of Olives. Of special interest and value are the full and intimate details concerning his life during the eighteen years spent in travel among the snow-bound monasteries of Tibet, the stately structures of Egypt, the mysterious temples of India, Persia, and Greece, a period when he walked and talked with monks, wise men, and seers throughout the Orient. Transcribed from the Book of God's Remembrance Known as the Akashic Records Includes INDEX INTRODUCTION by Eva S. Dowling, A.Ph.D.

Customer Reviews

The Aquarian Gospel is a book that I have read around three times, because many of the nuances of this book (particularly the metaphysical riddles) require second reading. This book is a **MUST READ** for those who plan to watch the movie based upon this book that is presently under production by William Sees Keenan and Drew Heriot. The Aquarian Gospel primarily tries to fill in

the gaps and explain the "missing years" of Jesus that have been dismissed rather casually in the Bible by simply stating "And the boy grew in wisdom and stature." How much you eventually like this book will depend upon your objective. If the objective is to read a mystery novel, *The Aquarian Gospel* will disappoint (you will probably enjoy *The Rozabal Line* much more as a fast-paced thriller covering the Jesus in India story). If the aim is to read about the "Jesus in India" theory itself, again there are better books out there such as *Jesus Lived in India: His Unknown Life Before and After the Crucifixion* or *The Unknown Life of Jesus: The Original Text of Nicolas Notovich's 1887 Discovery*. If, however, the aim is to understand the influences of the Eastern traditions upon the spirituality and teachings of Jesus, then this is an ideal read. Throughout the 1960's, *The Aquarian Gospel* was a big hit with the hippie movement. To that extent, this book acquired a "negative" and "anti-establishment" connotation. However, with today's significantly more liberal attitude towards questioning the origins of Christianity, this book needs to be looked at in a new positive light.

I read this gospel constantly. It lifts me up in spirit. I've read the new testaments, and other gospels for the past 15 year daily, but nothing else compares with this. The chapters about Holy Breath for example are directly related to *The Gospel of the Essenes* and the *Dead Sea Scrolls*. On the first page of this Gospel it is stated the "Joseph was an upright man and a devoted Essene." The gospel shows Jesus in all the kindness and wisdom of God our creator. His references to holy breath as feminine is the same as in *The Essene Gospel of Peace of Jesus Christ* and the *Essene Revelation*. The chapters abound in kindness toward all creatures. For example his saving and caring for a wounded dog is wonderful to experience for anyone who loves their pets and animals. "For nature to be the keeper of our soul" I can't say enough about this. But to anyone who reads this review: please read "*The Aquarian Gospel of Jesus the Christ*" It will enrich your life.

Reported to be taken from the Akashic Records, Levi's *The Aquarian Gospel Of Jesus The Christ* the story of Jesus of Nazareth, and how he attained the Christ consciousness that is open to all men. *The Aquarian Gospel Of Jesus The Christ* is a complete record of the "lost" eighteen years passed over in the New Testament gospels between the appearance of Jesus as a child in the Jerusalem temple and the commencement of his selection of apostles and the launching of his mission to the people of Palestine. *The Aquarian Gospel Of Jesus The Christ* is a record of Jesus' encounters with the masters, seers and wise men he visited while traveling in Tibet, Egypt, India, Persia, and Greece. A classic of metaphysical studies, this edition from DeVorss Publications will once again make this timeless testament available to a whole new generation of students and truth

seekers.

If there ever was a book that answered any questions that one may have about the full life, of not only Jesus, but his parents and disciples as well, this book is it!!! It is the only book on the subject of Jesus that I've read that had an extremely emotional effect on me. Now I don't know if it was the almost sacred like way that the English language was written, or the simple yet potent way that it touched my soul. All I know is that something deep in my soul told me that this is the TRUTH!! I am fully aware that these things will not happen to anyone that reads the book, but I'm positive that it will move the person that seeking the truth with a meek and humble heart! May God bless all those who have a strong desire just to over-come and make it back home!!

While it is doubtful that the author transcribed this work from the original, this does not take away from this interesting piece of gospel. The book is very easy to read and comprehend, even the allegory and parables. It's the first gospel that I've read that shows clearly the link with the metaphysical, scientific, mathematical and spiritual as one. I have now found respect for John the Harbinger and Jesus the Logos, and their high level Kemetic education with John being taught by the high priest Matheno and The Prince of Peace going through the university system. Additionally there are very good explanations on the Aquarian age and its links to the Zodiac and Astronomy, what is meant by the Christ, the Logos, the Doctrine of Universal Law and the Holy Breath. We get to find that Mary Magdalene was a wealthy woman who funded Jesus's travels, Jude, James and Simon were his brothers, Ruth, Martha, and Mary were his sisters, he was a traveler, invited to many lands outside of what is now known as East Africa and Arabia. Jesus was learned in the science of materialize and dematerialization, weather control and healing and obviously along with John who lead the way for him, excellent orators.
