## Customer Reviews

I ordered this book for my Kindergarten classroom. We are doing a unit on farms and the food that is grown there. The kids loved the pictures.

Used this for Farm to School events to preschoolers thru 3rd graders. Children love to hear me read this book and give out samples!

Beautiful photographs of real farms! The text was not as "predictable" as I'd hoped, but was appropriate.

Great Book! My preschool students enjoyed it. I read it as part of our unit on farms. Wonderful photos!

Lovely books with a terrific message.
