The Adventures Of Tom Sawyer: The Graphic Novel (Campfire Graphic Novels)

Synopsis

Tom Sawyer is a mischievous young boy with an undying hunger for adventure, and a knack for getting into trouble. He lives with his Aunt Polly in the Mississippi River town of St Petersburg, Missouri. He plays hooky from school; hangs around with Huck Finn, the unsophisticated son of the village drunkard; and deceives his friends into trading their treasures with him. Tom falls in love with Becky Thatcher, a new arrival in town, who returns his affection initially, and even agrees to an 'engagement'. However, after a slip of the tongue from Tom, she walks off in a huff. From innocent and imaginary adventures, Tom's life suddenly takes a new turn. One night, while Tom and Huck Finn are in a graveyard, they witness an incident they should not have. Terrified, they flee from the spot, and swear a blood oath that they will never reveal their secret to anyone. Tom and Huck then find themselves entangled in a series of real and exciting adventures, with dangerous men constantly at their heels. Can the boys stand up to the occasion, and become real-life heroes? Will they ever be able to reclaim their normal, carefree lives again?

Customer Reviews

Getting young readers up to speed on the classics is difficult so this is an easy choice to encourage reading. I provided 5 different stories for my grandsons and asked that they be returned to me when finished as the illustrations are lovely and I want to enjoy them too. The comic book classics are a great vehicle to quickly promote conversations about literature and possibly plant a seed for young people to enjoy the classics when they are more mature.

This is an excellent graphic novel. I used it during student teaching to parallel the actual book - the illustrations helped my middle school students better understand what was going on. Not only did they love it, but the illustrations are really well done. Because of this graphic novel, I've invested in several others. I highly recommend it, especially if you are a teacher.

My son likes Graphic Novels and this was a nice version of the book in Graphic Novel format.

A neat graphic comic!
