Customer Reviews

This was an absolute life saver our last family vacation, and it was enjoyed by the whole family! My 3 and 6 year old boys loved listening to the stories, as well as my husband, a long time fan of Adventures in Odyssey and audio books as a whole. Each cd has a new adventure, which I really enjoyed. I love how this one has 6 hours of stories, instead of 2 like several other sets have. This was our first purchase of adventure in odyssey cds, although we have listened to them on the radio before now. I see adding more stories into our collection in the future! Thank you for putting together a road trip collection!

My kids have listened to this over, and over, and over in our car. It's been great for them to have challenging and character building stories. I'd buy all of the Adventures in Odyssey CD's if they were more affordable! This is definitely something I will continue to add to their "shared collection".

great stories and fun adventures. the stories are from the other albums but i don,t mind i listend to them on the odyssey adventure club.

Our 7 year old loves to listen to the Odyssey adventures during a long trip!

Wow. This is just a perfect atlas for my grandkids 3 day cross country car trip. Ages 5-11, they loved knowing where they were and what special places were coming up. (Even their Daddy loved it!)

My 5, 7, and 9 year old thoroughly enjoyed these stories on our last road trip. Will be purchasing many more. Hoping for more series/ multi packs.

Great, a nice break from the normal adventures in Odyssey, though my kids did listen to these over and over again. It was a nice change of pace.

This cd set provided great entertainment for our 28 hour trip. The kids listened to them over and over.
