Penguin Misses Mom (Hello Genius)

Synopsis

Sometimes Moms have to leave their little ones at home for a short time. It can be a challenge. Especially for Penguin! There are tears and sadness, but Penguin likes the babysitter, Mrs. Duck. They have fun together reading and playing and hugging Penguin's favorite pillow. And soon, someone's at the door Mom is back! This sweet new board book confides that missing Mom is hard for everyone, but little listeners will delight in the happy ending.

Grade Level: 1 - 2

Customer Reviews

This is an epic tale of a young soul's emotional journey from despair to elation. A little penguin's parent leaves for parts unknown, a caretaker endeavors to console the emotionally compromised penguin. Toys. Food. Books....A tale no parent/kid should be without.

Penguin Misses Mom is a sweet book about missing a parent. Little Penguin's mom has to go and leaves Little Penguin in the capable hands of Mrs. Duck, who is amusingly depicted in a Mary Poppins-like hat and scarf. I liked the way the babysitter acknowledges and accepts Penguin's feelings before distracting him with books and blocks to pass the time until Mom returns. Short text and colorful illustrations carefully address this important social and emotional issue that toddlers deal with on a daily basis.

The Michael Dahl collection of books are always a top choice for my 2 year old. I feel like he can relate to Penguin, especially in the book Penguin misses mom. Ms. Duck plays with him until mommy comes to pick him up, and we even wave and say bye to mommy together.
