Ride The River

Synopsis

For many people, the Trinity is only a theological doctrine. In this book, noted pastor, teacher, and bestselling author Larry Christenson shows how you can have a distinct relationship with each person of the Holy Trinity. As this threefold relationship is maintained and deepened, you will increasingly experience God's presence, power, and guidance. Using a parable of a historic exploration of the American West, the author helps you discover how God the Father puts your life journey under the co-leadership of Jesus Christ and the Holy Spirit.

The author employs the historic "trinity" of President Jefferson, Lewis and Clark, and their leadership in the Corps of Discovery as a kind of allegory from which he draws instruction on guidance. Most Christians seek the guidance of God; many are not sure how to obtain it, how to recognize it if they do obtain it, or how to cultivate obedience leading to life goals. Larry Christenson draws on his own life history of Riding the River (following the path illuminated by divine direction) to illustrate why people need the Holy Spirit's NOW Word in life situations as well as the timeless written Word of Scripture; how to meet and overcome obstacles; the place of common sense; the importance of will and determination; and a deep background of understanding the ways of God resulting from Biblical study. Christenson writes well, uses excellent illustrations and examples from the Lewis and Clark expedition and from rich pastoral experience. Many serious Christians have been waiting for this book.

A unique perspective on the real Christian walk. Ties together the Lordship of Christ in your life and the meaning and necessity of the Holy Spirit's daily guidance. I found this book very helpful. I know Mr. Christenson and have the highest respect for him and his teachings.

I AM GLAD I BOUGHT THIS BOOK,IT IS VERY INFORMATIVE, HELPFUL WITH A DEEPER ,CLOSER WALK WITH GOD.PRACTICAL.

I had read this book a few months ago and had given that copy to another friend (in a "dead" church). She loved it. So I needed another copy for my other friend, who is in another rather dead denomination, and was able to find it on .This book does a terrific job of revealing the relationships among Father, Son, and Spirit using Lewis and Clark's relationship with one another and with President Jefferson. For analytical folks, this book may break them open into the Baptism of Holy Spirit.
