The Miss Nelson Collection

Synopsis

The three classic school stories. Accept no substitute. More than forty years ago Viola Swamp slinked into Room 207 at Horace B. Smedley School and whipped Miss Nelson's terrible, rude, worst-class-in-the-whole-school students into shape. In the intervening generations since the publication of *Miss Nelson Is Missing!*, millions of children have been fascinated by the legend of Miss Swamp. A diabolical creation from the minds of Harry G. Allard and James Marshall, Miss Nelson's alter ego illuminates the folly of misbehavior through amazing feats of disguise. And she's never been more hilarious than now! For the first time ever, *Miss Nelson Is Missing!*, *Miss Nelson Is Back*, and *Miss Nelson Has a Field Day* are available in one volume. This comical, collectable treasury of stories is a must-have for teachers and their mischievous students everywhere.

Grade Level: 1 - 4

Customer Reviews

As a child my mom read to me often as she could, and would point to each word while saying it aloud. When I was around 3 or 4 years old, she worked late on an evening that I wanted to read. Following her previous examples, I pointed to the word and said the what she had before. That was the night I learned how to read. Took me 30+ years to figure out which book that was ("the book about the teacher who's abducted by butterflies,") *Miss Nelson Is Missing*. I'm truly excited to read it

to my son in the coming years. A must have for every parent.

This book contains the three Miss Nelson stories. I remember them so well from my childhood. Whenever my dad would take me & my siblings to the library, we would race to find these books. I recently gave it to a friend at her baby shower, along with some other classics, and the gift was a big hit.

I loved this series growing up so it was only natural that I get them for my 4 year old. Turns out my 12 yr old loves these stories more than me. So there was this argument over who would read them to the 4 yr old. Lol! So we've been taking turns reading and listening to these stories. I will say that Viola Swamp is my favorite character.

Ever since this book was read in daycare to my daughter, she has been obsessed with Miss Viola Swamp! Nice hardcover on the book. I have to say that my daughter truly only has me read the first story to her, "Miss Nelson is Missing." But the price was right especially for having 3 books in one.

This was my absolute favorite book as a little girl, so when I saw it on the website I just had to get it for my daughter! I was so happy that it came in not only hard copy but also with all three stories. My daughter absolutely loves this book!

I loved these books as a kid, so I wanted to pass these stories into my kids. My kids found the stories to be every bit as entertaining as I did as a child, mission accomplished! For the 3 stories, this was a great bargain.

Viola Swamp is just as I remembered from elementary school. Every year our librarian would dress up as Coach Swamp, and I was thrilled to be able to share these stories with my own children. So excited to have all three books in one spine. My 5 year old twins (and 2 year old son) love reading "Miss Nelson" at bedtime.

I read these stories as a child, and decided to purchase this for my son who is in first grade. He read them easily and enjoyed the stories very much. A great value, you get all three stories in one book.
