Increased responsibilities. Getting along with parents. Friends. And girls. God wants to help—and that's why He wrote the Bible. You can learn a lot from the people in it, as well as the adventures they experienced. You'll be surprised how relevant the Bible is! God's Word can change your life—for real. But that can't happen until you commit yourself to knowing the Bible. That's what this book is all about—knowing the Bible, discovering what it says, and making it your personal guide in all you do. Along the way, bestselling author Jim George offers many great ideas for Bible study and practical application. You'll find this the beginning of an incredible adventure—one you'll never get tired of!

## Customer Reviews

An excellent, interactive devotional for preteen-teen aged boys/young men. This was clearly written for an audience of 11-17 year old guys. There is nothing childish about it. I love how each section has a little bit of reading, and a little bit of writing. Small segments are inviting. The book carefully walks the student through the why, how and what of Scripture, with a heavy emphasis on Scripture revealing itself. We spent a great deal of intentional shopping for a this interactive type devotional study. There isn't much like it on the market. Most devotionals provide reading only, commentary on Scripture or great thoughts for that day. Most Bible studies seem to include a 20 minute daily read

and response set up (designed and dated for 7 days a week). This is the only one we found where a student can work self-paced and do as much or little as he would like that day. We now have A Girl's Guide to Discovering Her Bible, and A Boy After God's Own Heart for in the cue for others in the family!
