Devotions For The God Girl: A 365-Day Journey

Synopsis

What does it mean to be a girl who follows God? That's the question bestselling author and teen mentor Hayley DiMarco helped teens answer in the bestseller *God Girl*. And now in this 365-day devotional, she guides girls ages 14-18 on a daily journey of learning more about who God is and who he created them to be. Each one-page devo contains a scripture verse of the day along with a brief reflection that unpacks spiritual truths about becoming a woman of God. And in each entry Hayley challenges girls to choose God's way in every area of their life--with their thoughts, actions, and daily choices about everything from friends and fashion to faith.

My 15-year old asked for a daily devotional for Christmas and over a month into it, she has found *Devotions for the God Girl* to be nearly perfect! I searched several when shopping for a devotional and this was a good choice. The devotions are age-appropriate but nothing about drugs, sex, etc., as some other "teen devos" I've read through. My daughter doesn't like to read anything negative or sad stories about the things kids do to themselves or others, etc. She's well aware of all the tragedy in the teen world, but prefers her devotionals to be focused on understanding God more each day. This offers sincerely worthwhile topics, relevant to teenagers, is biblically sound (GWT scripture verses), and it really is practical. Don't let my comment about avoiding depressing stories lead you to think that the devotional doesn't cover real-world application because it does. In summary, my 15-year old loves this devotional and has literally read it every single night!

DEVOTIONS FOR THE GOD GIRL is a really excellent devotional to help you become the woman God intended for you to be. There are 365 devotionals in this beautifully bound hardcover book, one for each day of the year. Each devotional begins with a verse, then the author finds a key point (which is printed in bold) and then ties the verse in. It ends with another thought (in bold) and an application to tie into your life. The devotions are about a page long. These devotions are deep, and spiritually impacting if you spend time thinking and praying about them, and will help turn you into a God girl. The only things I don't like about this book, is that the devotions aren't dated. They start out with 1, 2, 3...etc, but then they continue on 33, 34, 35, and so on, so you really have to know what day of the 365 days of the year you are on to know which devotional to read. Also, I think a ribbon bookmark would make a great addition. I was using a paper one to keep my place and it easily became dislodged. I used this book in family devotions (even with my sons), in addition to reading through them on my own, and then asked for everyone's opinion. Everyone gave it high marks, as one of the best devotionals we've had the privilege of reviewing. If you are looking for a new devotional then DEVOTIONS FOR THE GOD-GIRL is definitely a book you'll want to consider. Highly recommended. Verses for quick relief are referenced at the back of the book.

I purchased this devotional for two teenage girls (12 & 14). They both have shared with me that they love it and one says she's been reading it every day. I would recommend this product to teen girls between 12-16 looking for a little more out of their Bible reading experience.

In a new daily devotional from popular and bestselling author Hayley DiMarco, teen girls learn how to apply biblical values to every area of life, 365 days a year. Devotions for the God Girl: A 365 Day helps teens answer the question "What does it mean to be God's girl?" The teenage years are full of challenges for young women: social life, school life, home life and sometimes even work life. Hayley DiMarco the bestselling author of countless books for teens, understands those struggles and writes for the teen audience. "One thing that makes a God Girl different than everyone else, is her heart" writes DiMarco. About the Book The reader is encouraged to begin her day with the "Morning Watch" and spend 30 minutes alone with God and her devotional book. Each one-page devotional contains a passage from the God's Girl Bible and a reading that connects how those verses relate to the teen's life and becoming a woman of God. Like the bible, the devotional book begins in Genesis and ends in Revelation. The scripture verses are not the same text as the NIV or NKJV bible, so if your teen is learning verses from her school or church there will be a difference in the words. The book is

artistic in design, with a creative color style and mixed type fonts. The reader will notice bold print, change in font size and even change in font style...a creative method to capture the attention of any teen girl.

I received an advance copy of this book from RevellBooks.com in exchange for my review.

My 14 year old daughter hates reading. She just does. She needs the organization of a daily devotion and reminders from her loving mother to do it:) so far, so good. She is enjoying them and even applying them and discussing them with said loving mother:):):)

This book really speaks to women of all ages. The lessons are thoughtful and make you think about your actions and your relationship with God. I usually read three or four a day and my teen daughter is enjoying this book as well.
