Parables: The Greatest Stories Ever Told (Lifeguide Bible Studies)

Synopsis

We all love a good story. But the parables of Jesus are even better than that. They sneak up on us, catching us off guard and toppling our easy assumptions. When the familiar takes an unexpected twist, we find our secret thoughts exposed to the healing light of Jesus. This Bible study introduces twelve of the greatest stories ever told; how might they change your thoughts and actions?

Customer Reviews

This study's author uses many ambiguous questions to get the point across. The material is good, but the questions are often irrelevant. I feel that a study should allow the reader/participant to come away with application from the study for everyday living and I think that the study fails to do this.

Very little content of meat.

We are using this as a Sunday School study. We are just on the first of 12 lessons. Seems to be very good. This is the 6th of these studies we have done. All have been very interesting.

Very good for small group study. The questions really make you think about yourself and what Jesus would say to us today.

This book has proven to be more than worth the price. It has become a daily tool for me. The class loves the exercises in it.
