This short but powerful Bible study on the book of Ruth by Kelly Minter should be a must! I couldn't believe how many facets of the redemptive elements of the story of Naomi and Ruth I had missed in previous Bible studies and independent reading on my own. Kelly Minter strips away layer after layer of hidden meaning and symbolism to reveal the redemptive thread that runs from Ruth to Jesus. I highly recommend this book. What a powerful book! The best part of the book is the personal touch that Kate Minter provides. She adds stories within the big story. While this may not seem appealing, it is actually very helpful because it brings this timeless Bible classic to life. Minter makes the story both educational and relatable, not to mention the added benefit of spiritual growth.

I like the style of this study, examining each verse in the book. THIS is what I want in a Bible study. Highly recommend..

Very encouraging and a great tool to use in small group Bible studies. Loving how God is using this book in my life

Kelly Minter really digs into the heart of this wonderful devoted woman and makes you want to love Ruth as a dear friend. She clearly admires Ruth and shares some keen insights as well as areas for life application. I love Kelly's writing style which includes some tongue-in-cheek comments that make me chuckle. I would definitely recommend this book whether for a group or personal study.

Enjoyed the study can't wait to do more of Kelly Minter's bible studies. The book is perfect for a group that is fun & light hearted fun recipes, songs, and real stories of other's stories and how God was guiding them.

We are studying this for a Women's Bible study.....going much slower than the book is laid out, but we are all getting every "grain" of meaning from it...Love it!

[...]I really really enjoyed this Bible study.Check out the link above to see my video review of "RUTH" by Kelly Minter!!!
