## Customer Reviews

I find this book to be a grand improvement over separate prayer book and hymnal. Instead of juggling two books, judicious use of the ribbons allows me to mark locations of rites, hymns, and canticles. I presented it as a gift to my wife, who loves it.

The book of common prayer and hymnal was what I wanted only the prayer book script was in modern language useage and not the original version our church uses.

I bought this for my Mom who sings in the choir . She loves it. It makes her life a lot easier and it is very classy. Wish it had larger print but you can't have everything. The basic quality is just fine.

I would almost go so far as to say that this is an essential book for Clergy, Lay Ministers and Choir

members. To have the two principal resources of worship in the Episcopal Church together in a single volume makes the Anglican Shuffle a thing of the past. The red leather is attractive though somewhat stiff out of the box. My biggest complain actually is that I wish they made it in a "Pew" edition that was somewhat more affordable for the average church-goer because I think there would be a demand there as well

My hymnal/prayer book came days sooner than I expected and in perfect condition. I would have liked to have had the option to have my name embossed or printed on the outside as is customary for many priests and lay people, but the book itself is just fine.

The Prayer Book and Hymnal were advertised as used, but in good condition. I beg to differ, this item was in EXCELLENT condition!!! Very very pleased with my purchase and will use this several times a week. It is a wonderful thing to have, especially if one is in the choir so no need to 'juggle' with 2 different books. Thank you so very much!

This prayer book and hymnal combination helps us new Episcopalians with the "pew aerobics" required by switching back and forth between the Book of Common Prayer and the Hymnal in rapid succession during the service. The leather cover is soft, the pages are easy to turn, and the 6 built in colored ribbons help us find our place in a flash. This book is perfectly made. It is a beautiful book and arrived in excellent condition. I had my name engraved on the front of the book upon arrival.

Very nicely made. The binding is decent genuine leather (i.e. the third layer of split leather, which is better than bonded, and standard for bookbinding), which I measured at 0.23 mm, excluding affixed backing. The gold elements on the cover are embossed, and there is a nice gold braid design around the inside edge of the cover. The pages are onionskin, and there are several heavier blank pages for written notes - all gilt-edged. The spine is properly ketel-stitched and has six colored ribbons (red, green, gold, purple, white, black - in order) for bookmarking. In size, the pages are a little smaller than my KJV, and the whole book is a little thicker than a study Bible. Weight is about the same. In terms of content, it contains the BCP, Psalter, Revised Common Lectionary (inc. Daily Office Lectionary), and the 1982 Hymnal. Superb!
