Customer Reviews

My adult small group class is enjoying this DVD. The study guide is a little overkill, however, because it includes both intensive study section as well as that needed to follow the DVD. My class bulked at the cost but considering it covers 30 weeks I think it is worth the price.

this is my second study from Randy Frazee. He uses scripture and challenges others with his studies!

A most thought provoking and intense learning session for Christians

A super tool to review the bible
