Customer Reviews

Great book for those that are interested in learning more about Cleopatra. Purchased for a gift for my daughter for Christmas and she has read it many times and loves sharing her new knowledge with us. Very pleased.

My daughter loved this book. She is in an Egyptian phase right now and reading all she can. This was written well for her age, 8, and gave great facts which she retains!!

Just what my daughter wanted!

My nieces enjoyed reading it.

my daughter loves this book.
