Paris 1789: A Guide To Paris On The Eve Of The Revolution (Sightseers)

Synopsis

You will need a reliable travel guide if you are to visit Paris in 1789. It's an exciting and dangerous time. Since the storming of the Bastille in July, control over Paris has slipped from King Louis XVI's grasp, and a full-fledged revolution is just around the corner. Checking under the heading "Accommodation," you'll find that while there are many rooms available for rent, it would be preferable to stay with someone wealthy enough to afford to pay the carriers who deliver the daily pail of water. "Getting around" Paris might present a challenge if you like to keep your clothes clean - the guide suggests hiring one of the many gutter-leapers to carry you on his back across the open sewers in the crowded, narrow, noisy streets. In the back of the book, intrepid young time travelers will find a fold-out map that provides a geographical setting for all the points of interest, and a special "tourist quiz" that makes learning history as much fun as taking a vacation.

Book Information

Series: Sightseers

Hardcover: 32 pages

Publisher: Kingfisher (April 30, 1999)

Language: English

ISBN-10: 0753451832

ISBN-13: 978-0753451830

Product Dimensions: 8.9 x 6.2 x 0.4 inches

Shipping Weight: 8.8 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #866,771 in Books (See Top 100 in Books) #354 in [Books > Children's Books > Education & Reference > History > Europe](#) #424 in [Books > Children's Books > Geography & Cultures > Cultural Studies > Customs, Traditions, Anthropology](#) #540 in [Books > Children's Books > Geography & Cultures > Explore the World > Europe](#)

Customer Reviews

...from this charming and educational book. I purchased Paris 1789 from the Louvre Museum Shop during my visit to Paris. Marie Antoinette and the French Revolution have long been my passion. I thought this book may explain my passion to my children. I determined to read the book to them as soon as I came home but...I was sitting on the Metro when I decided to flip through the book. I read

the entire book from cover to cover (and missed my stop). Although this book is designed and written for children, its engaging layout and fascinating tidbits make it enjoyable and educational for adults. I love that it is presented as a real travel guide. The travel tips, at the top of the pages, are hilarious! "Look for plays by Moliere - one of France's best comic playwrights" and "Hold on to your purse. Pickpockets often work in the crowded streets." Some things never change!

I am taking my granddaughter to Paris and wanted her to learn a little history beforehand. I am very pleased with the book

lovit
